E. A. SHERMAN ARRESTED.

There was more than one officer aboard the Australia yesterday afternoon looking for young Allen Sherman who came here several months ago.

Sherman appeared in the Police Court this morning after a night in one of the cells. The charge was changed from vagrancy to that of gross cheat. The complainant is W. W. J. Robertson, who sets forth that he obtained from him the sum of \$200 on May 5 by falsely representing that he had an option on certain sugar stocks which he would turn over to him for the consideration mentioned; also that defendant had no such option.

Sherman pleaded not guilty to the charge and asked that he be given a week to prepare his case. He would act as his own attorney. Sherman comes from a very good family on the Coast, his family being connected with the firm of Sherman, Clay & Co., the music dealers of San Francisco. An uncle of his is Mr. Vander-slice, the well known jeweler of the latter city. In Honolulu Sherman has quite a number of friends among whom are several young men who went to school with him.

PAYING KING TANU

Washington, May 6.—No further advices have reached the State Department from Samoa and it is believed that none will now be had until the eastern mail arrives, about five days time.

The commission is due at Apia next Wednesday and the department's information is that there is no danger of further outbreak meanwhile. There is nothing in the reports to the department tending to sustain the statement that United States Consul Osborn has antagonized the British and Americans in Apia openly adhering to the German position.

Respecting the reported refusal of the consul to pay the salary of King Tanu, although nothing is known of the details, the disposition is to approve of this action in the matter. It is not known here officially that Mr. Osborn is acting in any such capacity, as president of the municipal council, but in view of the withdrawal of the German official, Dr. Raffel, who occupied that position until recently, it is not improbable that the duties of the place may have devolved on the American consul. In view of the questionable legality of the provisional government, it is believed that Mr. Osborn would scarcely be justified in assuming the risk of making payments upon the salary of the King whose title is called into question by Germany.

In the finals of the ladies' doubles in the tennis tournament yesterday afternoon, Miss Hoffman and Miss Scott won against Mrs. Gunn and Miss Hart. The match was an extremely exciting one throughout. The whole five sets were played. The first and fourth sets were won by Mrs. Gunn and Miss Hart while the second, third and fifth were won by Miss Hoffman and Miss Scott. The third set stood 9-7 at the end.

By same vessel we received a lot of Canal or R. R. barrows which also come to a good market these days of new plantations, new roads &c.

The "Geo. W. Curtis" is due soon from N. Y. and then we will be flooded with all sorts of Hardware as she will have the largest shipment we have ever received from New York.
